

**STAINLESS STEEL
PINEAPPLE
MIXING INSERT**

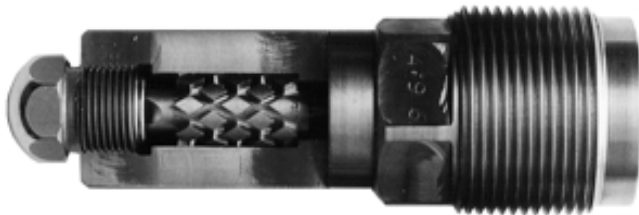

Excellent Color Dispersion
with a minimum pressure drop

Large 3/4" Diameter minimizes
pressure drop and maximizes
colorant mixing

Easy removal for cleaning

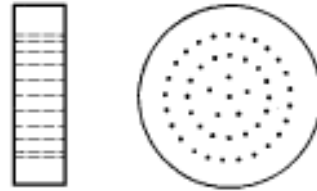

Special bored body accepts
3/4" diameter

This mixing insert can be fitted to
any standard body. . .

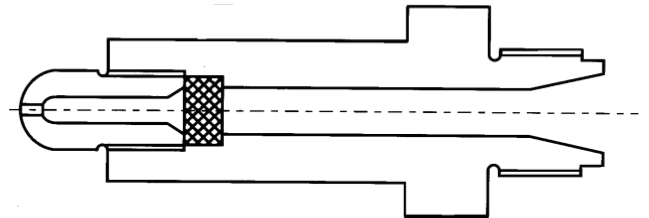

Part # PM75
\$185.00

**STAINLESS STEEL
DISPERSION/FILTER
DISC**

An economical solution for trapping
foreign debris – plus it aids in color
dispersion!

*Fits into front of Special
Counterbored Nozzle Body*

Ideal for protecting hot runner molds.
Perfect for small machines where space
prohibits use of a larger filter assembly.
