

# ST-SERIES COUPLERS & PLUGS

Straight-through design yields maximum flow.

Each ST-Series Socket is equipped with a Buna-N O-Ring. Other O-ring compounds are available to handle a wide variety of liquids and gases.

**Features:**

- Smooth bore permits free flow.
- Any plug and socket from the same series, regardless of end connections, fit together to make coupling assembly.

**All ST couplings are interchangeable with Parker, Foster, Tomco and others.**

## Sockets – Male End Connections

Brass, without Shut-Off Valves
