

# K-Gard Waterless Hand Cleaner

## An American-Made Waterless Hand Cleaner that promises to work as hard as you do.

**WATERLESS** - K-Gard is used without water, ideal for people working outdoors or in plant away from sinks.

**REMOVES** - Oil, Grease, Paint, Tar, Ink, Adhesives, Graphics, Anti-freeze, PVC Glue, Pipe Dope & more.

**HIGHLY CONCENTRATED** - Just a small amount works so efficiently it provides you more value for your money.

**MOISTURIZES** - The unique formula contains lanolin to moisturize and heal dry, cracked skin.

**RESILIENT** - Remains effective in sub-zero temperatures, perfect for storage in vehicles.

**K-GARD ORIGINAL**  
**Original K-Gard** Waterless Industrial Hand Cleaner provides a combination of properties that has remained unique for over 50 years. Our patented formula will tackle the toughest jobs while working to heal and moisturize the skin.

**K-GARD FRESH**  
**K-Gard Fresh** is everthing you love about our Original formula with a lighter scent. It is extremely concentrated and made from only the highest quality ingredients to thoroughly clean your hands while conditioning your skin with soothing lanolin.

*"K-Gard cleans and protects our race team! We use it on everything from the toughest oil and grease problems to cleaning our precision engine parts before assembly. I really enjoy that his true waterless hand cleaner can deep clean and provide a level of protecton from dry cracking "mechanical" hands."*
